La aritmética del diablo / The Devil's Arithmetic
Jane Yolen

J SP YOLEN / J YOLEN

Hannah está cansada de las fiestas religiosas; su familia solo habla del pasado. De hecho, le parece que eso es lo que hacen en todas las fiestas judías. Pero este año, el Seder de Pesaj será diferente, Hannah será transportada misteriosamente al pasado... y solo ella conoce los horrores indescriptibles que le esperan. Hannah resents stories of her Jewish heritage and of the past until, when opening the door during a Passover Seder, she finds herself in Poland during World War II where she experiences the horrors of a concentration camp, and learns why she--and we--need to remember the past.
